SVOG Application Informational Webinar

Actions and Detail Panel

Event Information

About this Event

This informational webinar will highlight the opening of the Shuttered Venue Operators Grant application which is scheduled for Thursday, April 8, 2021. Join us as we cover what documentation eligible entities will need to apply for a SVOG, insight on what the SVOG application process will look like and more. As a reminder, all potential SVOG applicants will need to be registered in the federal government's System for Awards Management (also known as SAM.gov) to apply. As the SBA prepares to open the SVOG applications, the dedicated SBA website, www.sba.gov/svogrants, which includes [frequently asked questions](#), [video tutorials](#) (including one on how to get registered in SAM.gov), a [preliminary application checklist](#) and [eligibility requirements](#), is the best source for program information. This webinar will be recorded.

For More Information and to register, please go to: <https://www.eventbrite.com/e/svog-application-informational-webinar-registration-147041437899>
